

Hard-Surface & Self-Healing Cutting Mats

Protect your cutting surface and blades with Tsukasa mats. Tsukasa mats are available in a choice of hard-surface or self-healing (Soft-Surface) types. These non-slip professional quality mats allow repeated and accurate cutting while protecting worktops. Tsukasa mats are suitable for both rotary cutters and straight knives. Will not dull knife blades.

Both types of Tsukasa mats are appropriate for sewing, quilting, sign making, printing, and many other uses. Tsukasa mats are design with single & double sided utility with multiple base color and grid lines in green, blue, black or white. The gridlines help with effortless straight cuts and solid the colour on the flip side is for general use.

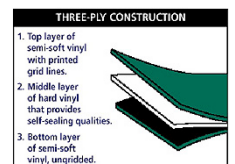

Professional-quality Tsukasa self-healing cutting mats are made from a unique composite PVC vinyl material, designed for both rotary blades and straight utility blades. 3-ply rotary cutting mats provide a long-lasting surface that can be cut without showing marks or cutting lines.

Tsukasa mats are graduated and fully numbered on all four sides of the mat. Hash lines extend past the board of the mat on all four sides. The hash lines and full graduations on all sides help with alignment.

Tsukasa mats are heat-resistant, odourless, anti-glare, easy to clean and maintain. Always store Tsukasa mat on a flat surface, keep out of direct sunlight, and avoid extreme temperature change. NEVER ROLL YOUR MAT.

Code	Thickness (mm)	Dimension (mm)
GM2.A0	2 mm	A0 900 × 1200 mm
GM2.A1	2 mm	A1 900 × 600 mm
GM2.A2	2 mm	A2 600 × 450 mm
