

MASTER KEY
FUNCTION

MONSTERLOCK™

PRODUCT FEATURES

- ◆ Patented push to lock security locking device
 - ⇒ Four (4) digit, one step resettable combination lock.
 - ⇒ The patented security locking device is applicable to every laptop, LCD monitor, CPU and projector with industry standard of security slot.
- ◆ Pull Strength
 - ⇒ High quality hardened steel resist pull strength up to 1020kg.
- ◆ Thickness
 - ⇒ In order to further secure from cutting by cable and bolt cutters, a 4.8mm thickness of high quality hardened steel in design.
- ◆ Cable Length (1300mm / 1700mm / 2000mm)
 - ⇒ The 1700mm and 2000mm long cable is above industrial standard whereby convenient to loop around any secure object and easily attach the security slot of equipment at any distance

SPECIFICATION

Single Head Lock

Model	: ComSteel US504
Lock Device	: Four (4) digit, one step resettable combination lock
	: Push-button locking function
Lock Material	: Locking tips
	- High Quality harden steel (Steel alloyed in Metal Injection Molding)
	: Lock housing
	- Zinc alloyed chrome plated
	: Lock button
	- Tubular pin tumbler key cylinder (Zinc alloyed)
Dimension	: 54.4 x 21.6 x 29.34 mm
Cable Length	: 1300mm
Cable Diameter	: 5mm
Cable Coating	: PVC

Twin Head Lock

Model	: ComSteel US504i
Lock Device	: Four (4) digit, one step resettable combination lock
	: Push-button locking function
Lock Material	: Locking tips
	- High Quality harden steel (Steel alloyed in Metal Injection Molding)
	: Lock housing
	- Zinc alloyed chrome plated
	: Lock button
	- Tubular pin tumbler key cylinder (Zinc alloyed)
Dimension	: 54.4 x 21.6 x 29.34 mm
Cable Length	: 1700mm
Cable Diameter	: 5mm
Cable Coating	: PVC

Triple Head Lock

Model	: ComSteel US504ii
Lock Device	: Four (4) digit, one step resettable combination lock
	: Push-button locking function
Lock Material	: Locking tips
	- High Quality harden steel (Steel alloyed in Metal Injection Molding)
	: Lock housing
	- Zinc alloyed chrome plated
	: Lock button
	- Tubular pin tumbler key cylinder (Zinc alloyed)
Dimension	: 54.4 x 21.6 x 29.34 mm
Cable Length	: 2000mm
Cable Diameter	: 5mm
Cable Coating	: PVC

** Custom made length and diameter available upon request
