

# MOMENTUM™ Mounting Solutions

## PROJECTOR SCISSOR LIFT

The Momentum projector scissor lifts is a reliable and affordable priced lift where it can accommodate most LCD / DLP projectors weighing 33kg. With the convenience of a remote setting controller with 3 programmable positions, it provides an attractive solution to recess a projector in the ceiling. Depending on usage and/or requirement, the lift can be fully extended to reach ground level.

With its slick and quite operation, the Momentum scissor lift enhances the professional image in your boardrooms, auditoriums, lecture theatres and a host of other special purposed rooms where aesthetics is of a paramount concern.
