

MONSTERLOCK™

PRODUCT OF ENGLAND

MONSTERLOCK™ built from aircraft grade T-Connect™ cable which resists cutting by cable and bolt cutters.

Besides, the security lock comes with additional innovative protection whereby a siren activate when cable is cut or main lock unit is temper.

MONSTERLOCK™ PRO SERIES

Model	PRO2000J
Siren	120 decibel siren
Lock Device	High quality harden steel and key type
Key	2 coded keys
Pivoting Device	Pivot device to insert into security slot on projector
Lock Body Dimension	140mm x 75mm x 50mm
Weight	500g
